

# PSA LEND-A-HAND PROGRAM

## What is this program?

The Pennsauken Sewerage Authority has established the Lend-A-Hand program to provide funds to homeowners for repair of their plumbing system when a breakdown interrupts sanitary sewer service to their home. Once approved PSA will provide the homeowner with a low interest, (2%), loan to cover the cost of the repair. Homeowners may, depending on the amount borrowed, have up to five (5) years to repay the loan.

## How does a homeowner apply?

Applications are available on our website or at PSA's office, 1250 John Tipton Blvd. You must have a good payment history with PSA and your property taxes must be paid to date.

## Still have questions?

Contact Pennsauken Sewerage Authority at 663-5542 Monday to Friday 7:00 a.m. to 3:00 p.m.
